To raise awareness of AAC*
wear clothes with words!

* Augmentative & Alternative Communication

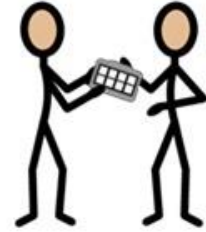

In our school, we are inviting pupils and staff to **wear clothing with words**, (phrases, slogans, brand names etc) to take part in “wear your words” and in addition pupils will take part in a “**speak AAC**” hour across school where everyone will be encouraged to use **AAC** to talk to each other. (Clothing must be school friendly, appropriate and positive). There is no donation required for this non-uniform day.
