## Looking ahead, what would you like your young person's life to look like in the future?

- Where would you like them to be living? What are the housing options?
- How would you like to think they will be spending their days?
- What opportunities would you like them to have to socialise, how will they spend their free time?
- What does your young person need from their education/training now and in the future to increase their independence?

### FREE presentations in the 'Library'.

**12.30 - 1.00 pm**

#### **CAREERS SUPPORT IN SCHOOL FOR YOUNG PEOPLE AGE 11-18 YEARS.**

This presentation will explain how Dorset Council are working with Job Centre Plus to support schools and young people with Special Educational Needs and/or Disabilities to understand future opportunities with local employers and businesses. It will provide you with information about careers support available in special schools and learning centres.

**Jointly presented by Andrew Holland (Dorset Council) & Mickey Mathews (Job Centre Plus)**

**1.30 - 2.00 pm**

#### **WILLS, TRUSTS & FUTURE PLANNING**

what you need to put in place to ensure your child/young adult is protected from vulnerability. Trusts - what are they and how can you use them. Power of Attorney - what is it and how can you apply. Future proofing your family - hoping for the best, preparing for the worst

**presented by Rhiannon Gogh**
