

Easy Read Survey

Dorset Council have been thinking about how the St Mary's site, near Shaftesbury, can be used.

They would like to work with local people and groups to look at ideas to create an education and community space, which could be used for people of all ages, in the Dorset area.

It could be used to provide better educational opportunities, as a school for Dorset children and young people with Special Educational Needs (SEND).

We are asking people who live and work in Dorset to look at our ideas and let us know what they think.

The survey will close on the **18th March 2021**. Please send your completed survey to:
